ABOUT THIS IFB

The Mississippi Department of Marine Resources has issued this invitation for bids (IFB). The IFB contains the information necessary to submit a bid and describes the bid process. The MDMR is not bound by any information not contained in this IFB, unless formally noticed and issued by the point of contact. All attachments are incorporated as part of this IFB. Any contract issued from this IFB will contain certain required clauses. You can review these clauses in Attachment C.

The MDMR may issue amendments. If it does, the amendment will be posted on the MDMR website (<http://www.dmr.ms.gov>). **All bidders must acknowledge receipt of amendments by signing and returning the amendment with the bid.** The acknowledgment must identify the amendment number and date in the space provided on the bid form. If a bid has already been submitted, you may acknowledge receipt of the amendment by letter. The acknowledgment must be received by the MDMR by the time and at the place specified for receipt of bids. It is the bidder's sole responsibility to monitor the website for amendments to the IFB.

THE PROJECT

We are the Mississippi Department of Marine Resources (“MDMR”). We are seeking bids from you, the bidder, for bids on the following: Four (4) Marine Patrol Boats

What is the Project?

These specifications are intended to describe and establish minimum requirements for Patrol Boats to be used by Law Enforcement Officers on the waters, islands and bays of the Mississippi Gulf Coast shoreline. Due to the boats’ potential to be operated continuously and during extremely adverse weather conditions, to ensure officer and public safety the boats must be constructed to the highest marine standards.

What is the Project Scope?

The Four Marine Patrol Boats must be manufactured in accordance with United States Coast Guard (USCG), National Marine Manufacturers Association (NMMA), and American Boat and Yacht Council (ABYC) guidelines. Boats must be self-bailing. To ensure that MDMR receives boats of proven performance, the quoted hull must be in current production. Should questions arise manufacturers will be required to submit names and phone numbers of clients who are currently using the manufacturer’s products. **NO PROTOTYPE HULLS WILL BE ACCEPTED.**

All workmanship must be free from faults and defects and in conformance with the Attachment D, Specifications. The boats must be delivered in a seaworthy condition fit for the purposes for which they are intended.

A copy of the warranty (for commercial and government use) must be provided with the bid and shall at a minimum include:

1. Hull structure: limited lifetime warranty against manufacturer defects.
2. Accessories manufactured by the manufacturer: one (1) year from the date of delivery against manufacturer's defects.
3. Engines, electronics and other accessories: to be warranted by the manufacturer.

All boats offered to MDMR must have provisions for warranty and service that will provide reasonable convenience or onsite services for the MDMR.

What are the Expected Deliverables?

- Upon execution of a contract and receipt of a purchase order from MDMR, the contractor shall provide all deliverables as specified in the Scope of Services within 120 days.
- Ten days prior to delivery of each boat, the contractor must provide a copy of the following:
 - a. a Builder's Certificate so the boat may be documented;
 - b. any other forms or documents necessary to obtain documentation of the boat with the United States Coast Guard;
 - c. the warranty and maintenance package that includes the manufacturer's literature;
 - d. the boat's finishes and appurtenant equipment; and,
 - e. any as-built drawings.

On the delivery of each boat, the contractor must provide a bill of sale, warranting the boat to be free and clear of all liens, claims, and encumbrances. The contractor must make

the boat available for a sailing and motoring sea trial to MDMR's satisfaction. Contractor must make the boat available for marine and engine condition surveys to the MDMR's satisfaction at MDMR's expense. If the sea trial reveals defects in the boat, then the contractor must correct the defects at no additional cost to MDMR. After completion of sea trial and surveys and/or correction of all noted defects, the contractor must deliver the completed boat to MDMR in the water. The contractor bears all risk of loss of the boat and trailer until delivery to and acceptance by the MDMR.

What is MDMR?

The Mississippi Department of Marine Resources manages our coastal resources through the authority of the Commission on Marine Resources. We are dedicated to enhancing, protecting and conserving the marine interests of Mississippi for present and future generations. We manage all marine life, public trust wetlands, adjacent uplands and waterfront areas for the long-term recreational, educational, commercial, and economic benefit of everyone.

What are the Required Qualifications?

The required qualifications for bidding are:

- The bidder agrees that submission of a signed bid form is certification that the bidder will accept an award offered as a result of the submission.
- You cannot submit a bid if you are debarred from bidding by the State, any political subdivision of the State (towns, cities, counties, agencies, etc.), or any other state. You also cannot submit a bid if you are an agent of someone debarred.
- Bidders which are domestic corporations, limited liability companies, or limited partnerships must be in good standing with the Mississippi Secretary of State.

- Bidders which are foreign corporations, limited liability companies, or limited partnerships must be registered to do business in Mississippi with the Mississippi Secretary of State.
- Bidders must be registered in MAGIC (Mississippi's Accountability System for Government Information and Collaboration) portal at:
<http://www.mmrs.state.ms.us/vendors/index.shtml>.

How do I Register with the Secretary of State?

If you are required to register with the Mississippi Secretary of State, you may do so at www.sos.ms.gov.

How do I Register in MAGIC?

You must be registered in MAGIC in order to bid. You can register at:

<http://www.mmrs.state.ms.us/vendors/index.shtml>.

What Bonds are Required for this Project?

This project does not require any bonds.

BID SUBMISSION

What do I Need to Include in my Bid Submission?

Your bid package must be signed and contain the following:

1. Bid Cover Sheet (Attachment A) completed and signed;
2. Bid Form (Attachment B) completed and signed; and,
3. Check List (Attachment E) completed and signed

How do I Fill Out the Bid Form?

Use the bid form to identify your best price. You must identify your company's name on each page of the bid form (Attachment B), as well as on each page of Attachments A and E. Complete all of the blanks and sign the form.

You **must** use the bid form. Submissions without a bid form will be rejected as nonresponsive. Do not amend or add to the bid form, and do not alter the terms of the contract. We may reject a modified bid form as nonresponsive on a case-by-case basis.

In some cases before we find your bid nonresponsive, we may require you to withdraw or change problem sections of your bid if they do not affect the quality, quantity, price, or delivery of the service.

You are responsible for the costs of preparing your bid. We do not accept liability for such expenses.

How do I Submit a Bid?

You may submit a bid in one of three ways. We do not accept bids by email.

1. Personal Delivery.

You may bring the sealed bid package to the MDMR and deliver it directly to Kacey Williams on the 6th Floor. The address is:

1141 Bayview Ave.
Biloxi, Mississippi 39530

2. MAGIC.

You may submit the package electronically in the MAGIC portal at <http://www.mmrs.state.ms.us/vendors/index.shtml>. You may need to register if you have not already.

You should allow 72 hours before the submission deadline to submit the package electronically in MAGIC, especially if you have not previously submitted bid packages in MAGIC.

3. Mail.

If you mail the bid package, we recommend that you use certified mail with a return receipt requested. We are not responsible for lost or delayed mail. Keep in mind that packages must be **received** by the due date in order to be accepted.

Seal the envelope and label it **exactly** as follows:

SEALED BID – DO NOT OPEN

When are Bid Submissions Due?

Your bid submission must be ***received*** by:

January 08, 2016 at 10:00 a.m. CST

If you submit by mail or personal delivery, we will mark your envelope with the date and time of receipt.

When I Submit My Bid, What am I Certifying?

When you submit a bid, then you promise that you will accept an award if offered. You also certify that you have not communicated with any other bidder or competitor regarding your bid or the price, your intention to submit a bid, or the factors you used to calculate the bid price. You can read more about your certifications on the Bid Form, Attachment B.

What if I Submit Confidential Information?

Once information is submitted to us, it is controlled by the Mississippi Public Records Act, Miss. Code Ann. 25-61-1 *et al.* Most information is then open to the public. Only certain exempt information remains confidential.

It is good practice to segregate confidential documents from the rest of the bid package. If you have information that is exempt from the Act, then you must:

1. Mark the document as “CONFIDENTIAL”, and
2. Identify the exemption in the Act or otherwise under Mississippi law on which you are relying.

How do I Amend or Withdraw my Bid?

If you made a mistake in your bid submission, then you must notify us in writing requesting to withdraw the bid. If you discover the mistake after the bid opening, you must give us all original documents and materials you used to prepare your bid within two days of the bid opening.

A request to withdraw a bid after bid opening will only be allowed if all of the following are true:

1. The bid was submitted in good faith;
2. The bid price is substantially lower than the other bidders because of the mistake;
3. The mistake was a clerical error, not a judgment error; and,
4. The original documents used to prepare the bid clearly show that the mistake was an unintentional error in arithmetic or omission of labor or material.

and no award will be made at the bid opening. Bid openings are open to the public.

Notification of Successful Bidder

January 15, 2016

We will award the contract to the lowest and best bidder, subject to approval by the Office of Purchasing, Travel, and Fleet Management if necessary. The award notification will be on January 15, 2016.

We will notify all bidders by mail and email of the award. We will also post the awarded bidder on our website at www.dmr.ms.gov.

Bid Protests

If you are an actual bidder, offeror or contractor and feel aggrieved by this IFB or the outcome, then you may file a protest with the Executive Director of the MDMR with a copy to the State Chief Procurement Officer. The protest must be in writing and explain the specific reasons that you are protesting. The protest must be filed within seven days after you know, or should have known, of the facts giving rise to your protest. Late protests will not be considered. *See* Section 6.101 of the Mississippi Procurement Manual available online at: www.dfa.state.ms.us/Purchasing/ProcurementManual.html.

The following are some of the clauses that will be included in any contract arising from this IFB. By submitting a bid, you agree to be bound by these clauses (or clauses substantially similar to these) if you are awarded the project. The final contract may contain additional clauses.

Payment

Payment Processing. The MDMR makes payments within 45 days of receiving an approved invoice. Payment will not be made for services performed before the execution or after expiration of this contract.

How Payments Are Made. The MDMR makes payments electronically through the MAGIC Accounting System. Payments are deposited into the Contractor's chosen bank account. The MDMR may require the Contractor to electronically submit invoices and supporting documentation. The Contractor understands that the MDMR is exempt from paying taxes.

Certifications

The Contractor certifies the following:

Representation Regarding Gratuities. The Contractor has not violated, is not violating, and promises that it will not violate the prohibition against gratuities set forth in Section 9.105 of the *Department of Finance and Administration Procurement Manual*.

Representation Regarding Contingent Fees. The Contractor represents that it has not retained a person to solicit or secure a state contract upon an agreement or understanding for compensation, except as disclosed in Contractor's bid or proposal.

Employees and Subcontracts

Independent Contractor Status. The Contractor is an independent contractor for MDMR, not an employee, agent, or partner.

Discrimination Prohibited. The MDMR is an equal opportunity employer and maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information or any other consideration made unlawful by federal, state, or local laws. The Contractor agrees to strictly adhere to this policy in its employment practices and provision of services.

E-Verify Program. The Contractor will ensure its compliance with the Mississippi Employment Protection Act, Miss. Code Ann. §§ 71-11-3. For anyone hired to perform work in Mississippi, the Contractor must register and participate in the E-Verify Program operated by the United States Department of Homeland Security. The Contractor agrees to maintain records of compliance and to provide a copy of verification to the MDMR on request. The Contractor further represents and warrants that any person assigned to perform services related to this contract meets the employment eligibility requirements of all immigration laws of the State of Mississippi. The Contractor understands that any breach of these warranties may subject it to the following:

- a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three years, with notice of the termination being made public, or
- b) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or government entity for the right to do business in Mississippi for up to one year, or
- c) both. In the event of termination, Contractor is also liable for any additional costs incurred by the state due to contract cancellation or loss of license or permit.

Access to Records

The Contractor agrees that the MDMR, or any of its duly authorized representatives, at any time during the term of this contract, has access to, and the right to audit or examine any pertinent documents, paper, and records, related to charge and performance under this contract. The Contractor agrees to refund to the MDMR any overpayments disclosed by an audit. Records must be kept for a period of three years after final payment, unless the MDMR authorizes earlier disposal. However, if any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the three-year period, the records must be retained until completion of the action and resolution of all issues which arise from it.

Termination

The MDMR may terminate the contract for any of the following reasons:

- A. for default;
- B. for convenience;
- C. for insufficient funds; or
- D. by mutual agreement.

Termination for Default. If the MDMR determines that the Contractor has breached any provision of this contract, or it appears that the project deadlines will not be met, the MDMR may notify the Contractor in writing of the delay or nonperformance. The writing must provide a time period for cure. If the Contractor does not cure in the time specified, then the MDMR may terminate all or part of the contract. The MDMR may then procure similar supplies or services from another vendor. The Contractor must continue performance of the contract to the extent it is not terminated and is liable for MDMR's excess costs to procure similar goods or services.

Termination for Convenience. The MDMR may, when the interests of the state so require, terminate this contract in whole or in part, for the convenience of the state.

Termination for Insufficient Funds. The MDMR's obligations under this contract are conditioned on the appropriation of funds by the state or federal government. If the anticipated funds are ever insufficient or there is a material alteration in the funded program, then the MDMR may terminate this agreement with 10 day's written notice to the Contractor. If the MDMR terminates the contract under this subsection, then it does so without any incurring liability for any damage, penalty, cost, or expense.

Mutual Termination. Upon agreement of both parties, the contract can be terminated immediately.

Force Majeure. Each party is excused from performance of any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of the party or its contractors. Force majeure events include acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters. When such a cause arises, the Contractor must notify the MDMR immediately in writing of the cause of its inability to perform; how it affects its performance, and the anticipated duration of the inability to perform. Delays in delivery or in meeting completion dates due to force majeure events automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the MDMR determines it to be in its best interest to terminate the contract.

In Case of Termination. On the date of termination, the Contractor incurs no further obligations regarding the terminated portion of the work. The MDMR will pay for completed services at the contract price. The MDMR may withhold such sums as the MDMR considers necessary to protect the state against loss because of outstanding liens or claims of former lien holders and to

reimburse the MDMR for the excess costs incurred in procuring similar goods and services.

On termination, the Contractor must do all of the following:

1. Terminate outstanding orders and subcontracts as they relate to the terminated work.
2. Settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work.
3. Take timely, reasonable, and necessary action to protect and preserve property in its possession in which the state has an interest.
4. Assign the Contractor's rights, titles, and interest under terminated orders or subcontracts to the state, if requested by the MDMR.
5. If the termination is just for a portion of the work, then complete the non-terminated work duties.

Stop Work Order

Order to Stop Work

The MDMR may require the Contractor to stop all work or any part of the work called for by this contract. The order must be identified as a "stop work order" and cite this section of the contract. The written stop work order must not exceed 90 days, unless the parties agree to a longer period. The MDMR may issue the order at any time and without notice to any surety.

The Contractor must comply with the stop work order and take all reasonable steps to minimize costs allocable to the order. Before the stop work order expires, the MDMR may either:

- a) cancel the stop work order; or
- b) terminate the work covered by the order. If MDMR elects to terminate for default, it does not need to issue a new notice and may terminate immediately.

Cancellation or Expiration of the Order

If a stop work order expires or is cancelled, the Contractor may resume work. An appropriate adjustment may be made in the delivery schedule and price if:

1. the stop work order results in an increase in the time or cost required for performance of this contract;
2. the Contractor asserts a claim for an adjustment within 30 days after the end of the period of work stoppage. The MDMR may waive this time requirement if it decides that the facts justify such an action; and
3. the modifications are put in writing and signed by the parties.

Confidentiality

Confidentiality. The Contractor must not use or disclose any confidential information. However, nothing in this section precludes the Contractor from disclosing or using confidential information, if:

- a) The confidential information is available to the public or in the public domain at the time of such disclosure or use, without breach of this Agreement;
- b) Disclosure of the confidential information is required to be made by any law, regulation, governmental authority or court; or
- c) The confidential information was received by the Contractor after termination of the service period from a third party that had a lawful right to disclose it to the Contractor.
- d) Contractor must not disclose or discuss the contents of any personnel file except to MDMR personnel that are authorized to receive and review such information.

Transparency. This contract, including all attachments, is under the Mississippi Public Records Act of 1983 (Miss. Code Ann. §§ 25-61-1 *et seq.* and § 79-23-1) and the Mississippi Accountability and

Transparency Act of 2008 (Miss. Code Ann. §§ 27-104-151 *et seq.*). Unless exempted by a court-issued protective order, a copy of this contract will be posted to the Department of Finance and Administration's website for public access at www.transparency.mississippi.gov. Information identified by the Contractor as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required to be kept confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted. In the event the agency receives a public records request for documents containing information identified by the Contractor as trade secrets or proprietary information, the MDMR will notify the Contractor who will be given a reasonable time to obtain a court order protecting the information. *See* Mississippi Code Annotated § 25-61-9(1).

Liability and Indemnification

Liability and Indemnity. The Contractor agrees to indemnify, hold harmless and defend the State of Mississippi, MDMR and any and all of its affiliates, directors, officers, agents or employees from and against all loss, injury, damage and legal liability including attorneys' fees and other costs of defense, arising out of any breach of confidentiality, negligent act, error or omission of Contractor, its employees or representatives. The Contractor assumes all liability for work to be performed and for breach of any of the terms of this Agreement. Contractor assumes all liability for workers' compensation and employers' liability coverage for its own employees. Contractor is responsible for and holds MDMR harmless from loss of or damage to Contractor's tools and equipment and rented items which are used or intended for use in performing work, and for any consequential, special or indirect damages, or loss of anticipated profits sustained by Contractor or its independent contractors. Contractor must comply with all applicable laws and government regulations, including OSHA and comparable state requirements.

Attorneys' Fees and Expenses. Subject to other terms and conditions of this contract, in the event the Contractor defaults in any obligations under this contract, the Contractor must pay to the MDMR all costs and expenses (including, without limitation, investigative fees, court costs, and attorneys' fees) incurred by the MDMR in enforcing this contract or otherwise reasonably related thereto. Contractor agrees that under no circumstances is the MDMR or the State of Mississippi obligated to pay any attorneys' fees or costs of legal action to the Contractor.

Miscellaneous

Severability. Each provision of this Agreement must be interpreted in a way that is valid under applicable law. If any provision is held invalid, the rest of the Agreement remains in full effect.

Entire Agreement. This Agreement and its attachments are the entire understanding between the parties.

Changes. The parties can amend this Agreement only by a written document signed by both parties.

No Delegation (Subcontracting). The Contractor acknowledges that it was selected by the MDMR to perform the work based upon the Contractor's special skills and expertise. The Contractor must not delegate its duties under this Agreement in whole or in part without the prior written consent of the MDMR. The MDMR may, in its sole discretion, approve, approve with conditions, or deny consent without reason. Any attempted delegation or transfer of its obligations without consent is null and void. No approval by the MDMR of any subcontract is consent to increase the maximum price of this contract.

Applicable Law. This Agreement is governed and interpreted by Mississippi law. Any lawsuit arising directly or indirectly out of this Agreement must be litigated in the state courts of Mississippi. The Agreement is further governed by the Department of Finance and
